Nina, depending on your definition of "irrationally". I thought it was "in character" even as I agree with your assessment that she went a bit nuts with our delay to Dec. I'll forward you that email. Paul Kampmeier's follow-up official NWEA response letter was much more measured and even reassuring.

Do you recall who it was who acted irrationally this past autumn? Was it Nina or her attorney?

I'm wondering whether the letter should go from Christine/Joelle to Nina versus DOJ to the NWEA attorney ...
